2020 GENERAL ELECTION

4 COMMITMENTS FOR THE IRISH LANGUAGE & GAELTACHT COMMUNITIES

We would appreciate your help promoting the Irish language and the Gaeltacht to candidates in the general election. It would be great if you could look for support from the candidates when they call at your door or if you meet them in public, or other, for the commitments below.

1. SENIOR MINISTER FOR IRISH & GAELTACHT

1. The appointment of a Senior Minister for Irish and for the Gaeltacht, who speaks Irish, so that there is stronger Irish language input at the Government table and in the budget.

2. €18 MILLION INVESTMENT

2. An additional investment of €18 million in an Irish language and Gaeltacht plan to expand the use of Irish and to create 500+ new jobs.

3. POLICY FOR IRISH IN THE EDUCATION SYSTEM

3. That a Policy for Irish in the Education System from Pre-School to 3rd Level be developed and implemented.

4. STRONGER OFFICIAL LANGUAGES BILL

4. To support the strengthening of the Official Languages Bill 2019, in particular to add a target date of 2030 to the provision that 20% of candidates recruited to the public sector will be competent in the Irish language.

SURVEY: Any senior Minister appointed with responsibility for the Irish Language & Gaeltacht Affairs should be fluent in Irish.

1. a) Foras na Gaeilge’s budget and Udarás na Gaeltachta’s capital budget were reduced in 2019 by 15% between 2008 and 2019. We are seeking an additional €16 million for the Foras and the Udarás for the schemes and projects mentioned in our plan, €4 million less than was provided in 2008.

b) This increase is proposed to provide fairness to Foras na Gaeilge and their budget. ETI, the Arts Council’s budget was increased by 24% between 2014 and 2016 and over the same period the Foras’s budget was reduced by 5%.

c) This increase is proposed to provide fairness to Udarás na Gaeltachta and their capital budget. ETI, the IDA’s capital fund was increased by 87% and Enterprise Ireland’s by 15% between 2008 and 2019. Over the same period the Udarás’s budget was reduced by 65%.

d) This will have a positive impact on the island’s economy and the Irish language can also add greatly to the economic development of island.

SURVEY: The State should provide more support for the Irish language.

3. a) The policy would include Irish in the education system at all levels and in all sectors, with the following three core policies included in the policy:

- The current Gaeltacht Education Policy
- The policy for Irish-medium education that is to be developed (announced by the Minister of Education and Skills on 30/12/19)
- A policy for education that functions through the medium of English

b) A policy like this would bring all stakeholders together to focus on a specific target.

c) To act on the legitimate concerns of younger people in relation to learning Irish and to reassure them with the creation of a system that makes sense from level to level and shows them the opportunities and benefits associated with learning Irish, etc.

SURVEY: There should be a comprehensive policy that links the teaching of Irish throughout the duration of the educational cycle – from Pre-School to Primary to Secondary through to University.
