19.30, DÉARDAON, 18 BEALTAINE 2017

Colm Ó Broin challenges some of the 'alternative facts' most commonly cited in the media and by the wider public as regards the Irish language, from the unfounded belief that Irish is a 'dead' language to the bizarre opinion that Irish has taken too many words from English.

Caitheann Colm Ó Broin súil ar chuid de na 'fricí ailtéarnacha' a chloistear faoin nGaeilge sna meáin agus sa sochaí trí chéile, ón tuaim gan bhunús go bhfuil an Ghaeilge marbh go dtí an tuairim aisteach go bhfuil an Ghaeilge tar éis an iomarca focal a ghlacadh ón mBéarla.
